

Arrays

```
const myArray = new Array();  
myArray[0] = "JavaScript";  
myArray[1] = "is";  
myArray[2] = "fun";
```

Or

```
const myArray = new Array ("Javascript","is","fun");
```

Or

```
const myArray = ["Javascript","is","fun"];
```

Iterate through arrays

```
const myArray =  
  ["Javascript", "is", "fun"];
```

```
for (let i=0; i<myArray.length; i++) {  
    console.log(myArray[i]);  
}
```

```
for (let x of myArray) {  
    console.log(x);  
}
```

```
myArray.forEach(function(x) {  
    console.log(x);  
})
```
