

The problem

FrontendsServer

Brownsder

GET /

GET /js/lib.js

GET /js/index.js

GET /style/index.css

GET /style/generic.css

The problem

Browser

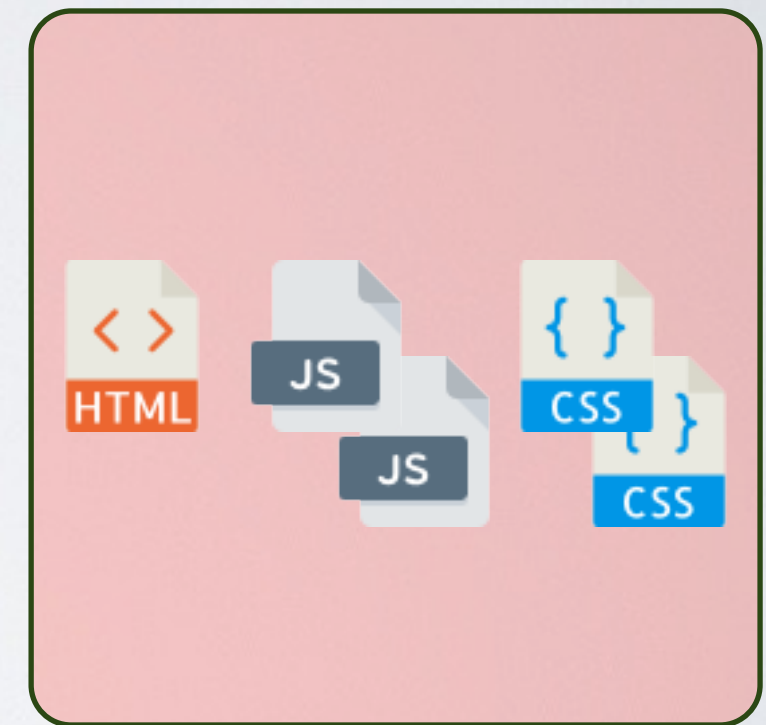

GET /

GET /js/lib.js

GET /js/index.js

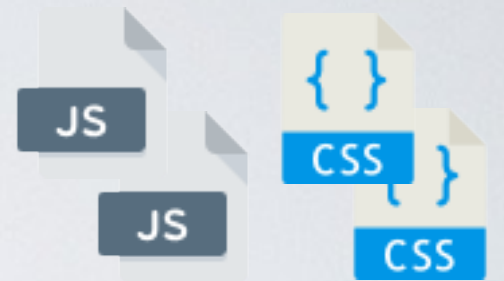

GET /style/index.css

GET /style/generic.css

Frontend Server

The solution - using a frontend packer

Browser

Frontend Server
