HTML : Hyper-Text Markup Language

HTML 1	invented by Tom Berners-Lee (1991)
HTML 2	first standard from W3C (1995)
HTML 4	separation between content and presentation CSS (1997)
HTML 5	multimedia (2008)

Terminology

Markup: tags starting and ending with angle brackets

```
<p>
```

Content: Everything else (arguably)

```
this is something else
```
